Greetings Donor Angels,

DOVE's Annual Adopt-a-Family Holiday Assistance Program is underway.

We hope you will join us again to benefit the families served through DOVE's Emergency Shelter and Community Services programs. Due to the COVID19 pandemic our families need us now more than ever!

You might have imagined this year's program will look a little different. With limits on the numbers of volunteers or staff we can have on site, social distancing efforts and the need to reduce traffic within our buildings we knew we needed to get creative. This year we are asking our donors to consider purchasing gift cards for their adopted families. This will allow us to receive and pass on your package directly through the mail. Our families will then be able to use those cards to provide themselves and their children holiday gifts. I think we can all agree, 2020 needs a little more cheer!

To participate, email: dove.elfteam@gmail.com. DOVE will provide a list of options where donors can choose to support a specific family, donate general goods to our shelter or, help support or much needed general gift card drive to support our families through the holidays and beyond.

Donors who choose to adopt a specific family will receive their family's Holiday wish List by no later than December 4, 2020.

To ensure that each of our more than 150 families receive their gifts before the holidays, we ask that gift cards be mailed by December 10, 2020.

DOVE will provide you with the address of our Drop-Off Center location in Quincy.

If you wish to make a financial contribution to support DOVE's work, or the Holiday Assistance Program, see DOVE's website www.dovema.org or email development@dovema.org.

Thank you on behalf of the families working with DOVE.
